TC2 & TMI2
TRAFFIC CONTROL & TRAFFIC MANAGEMENT

Take the next step with our combined Traffic Control (TC2) and Traffic Management Implementer (TMI2) course, perfect for those looking to advance their skills.

This course prepares you for more complex traffic setups, including high-speed roads, night works, and multi-lane environments. You'll learn to implement advanced traffic guidance schemes, manage teams, and ensure safety and compliance on higher-risk sites.

EXPERIENCED TRAINERS
Learn from industry experts with real-world construction experience
